47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Jesus Christ, you eviscerate net neutrality and now you're trying to eliminate competition in markets?!?! I thought we lived in a society that values economic competition.

As a small business owner, (family bakery) my only options for internet are cable through Comcast or satellite. I NEED MORE OPTIONS!!! Just because one company was able to run lines to homes doesn't mean other carriers should be prevented from competing on an equal playing field.
